

the C-60

spa

When you're looking for relaxation, a massage to ease tired muscles and think you can't afford a spa - think again - the C-60 is inexpensive without sacrificing quality. So now you can enjoy a spa and all the fun and relaxation that goes with it, without the huge price tag.

The C-60 seats 4 adults comfortably and is ideal for the young family that want a spa that fits your budget. The C-60 is ideal to come home to after a hard days work.

With a MaaX Spa you have peace of mind knowing you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.
