

the C-80

spa

The C-80 combines size, price and quality. It is large enough for all the family to enjoy and will fit perfectly into any surrounds. Ideal for when you arrive home from work and want to relieve the mind and body from the stresses of the day. A spa is also a centre of attraction when inviting family and friends over for a BBQ and spa.

The hydrotherapy action of the C-80 goes to work on tired muscles and joints and besides being one of the most affordable spas available, it is also totally therapeutic. The warm soothing waters together with the powerful massage of the jets, is the perfect way to soothe the body and relax the mind, enabling you to enjoy a deep, relaxing nights sleep.

With a MaaX Spa you have peace of mind knowing you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.
