Optional - 32amp

MaaX Control 1000 Versi Heat 3.6kw heating with VDS Technology

MaaX Power

MaaX Flow Pumps & Blowers - designed to give maximum performance through all your spa jets.

Standard

1 Pump and 1 Blower System

Pump 1 - 2 Speed filtration and high performance pump

Optional - 32amp MaaX Control 2000

Extra Pump - 1 Speed high performance pump

MaaX Stealth Blower

The whisper quiet, MaaX Stealth Blower supplies strong air flow to your soft tissue massage air jets, providing a world of peace, tranquillity, relaxation and well being, as thousands of tiny air bubbles provide you with the complete body massage.

MaaX Aqua Clean Filtration

Keeping your spa clean and safe, MaaX Aqua Clean Filtration is the newest and most innovative way to keep your water crystal clean providing water filtration all day, every day.

MaaX Pure Ozone

The MaaX Pure Ozone provides a natural, safe and effective way to help maintain your water giving you, your family and friends peace of mind.

MaaX Massage Jets

MaaX Hydrotherapy and Soft tissue massage jets generate the most invigorating yet comfortable massage you will experience in a spa. Patented Super Venturi Technology (SVT) is incorporated into all MaaX Spas and is the latest jet technology in the world.

Standard - Total 40 Massage Jets

22 Hydrotherapy Jets

4 Deep Tissue Massage Jets

14 Soft Tissue Massage Jets

Optional - Stainless Steel Jets

Aromatherapy

The MaaX Aromatherapy is a therapeutic practice that can be used to advance health and give you a sense of ease. It involves using pure essential aromas along with bathing, inhalation and massage.

Standard - 1 MaaX Aromatherapy

Lighting

The MaaX Spa Mood Light uses different colors of light, or chromatherapy. Chromatherapy has been proven to have a positive impact on overall health and well-being. The use of light and color for therapeutic purposes is centuries-old. Add therapeutic effects of chromatherapy to your choice of hydrotherapy for a more complete, engaging, holistic experience.

Standard - 1 x Mood Light

Optional - LED Light

MaaX Cabinet - Standard

The MaaX Cedar Cabinet features 20mm Western Red Cedar and galvanised steel reinforced corner brackets, for extra strength and durability. All MaaX Cabinets are treated with anti-fungal, U.V inhibitor and timber preservatives for a longer life.

MaaX Hard Cover - Standard

The MaaX Hard Cover is a superior lock down hard cover for extra safety. The cover is able to hold up to 100kg in static weight, not only adding to your spa's strength and durability but also creating excellent insulation for your spa.

MaaX Insulation - Standard

MaaX Insulation is closed cell foaming technology and is used on all MaaX Spas. Working in conjunction with the insulated pipe work and the MaaX ABS Base, the MaaX Insulation not only creates a quieter operation but it also cuts down on the running cost of your spa.

MaaX Spa Safety - Standard

All MaaX Spas come with electrical approvals, not just on your pumps and heaters but on the entire unit. Along with a installed safety switch inside the unit, a MaaX Spa will offer you the ultimate safety.

the M-400

spa

Sit back and enjoy the hydrotherapy. The M-400 is truly a spa that has something for everyone. The octagonal shape makes it one of the most popular spas for entertaining. Everyone loves a spa and the M-400's layout, is both inviting and cleverly designed with 8 individual hydrotherapy massage seats including 2 moulded seats with foot massage.

Perfect for the family, the M-400 enables parents to recline in the 2 moulded seats, sit back, relax and watch the children swimming around in the large seating area adjacent. It is also excellent for holding court while entertaining friends in a most relaxed and healthy way.

The M-400 also offers the new MaaX exercise jet, this enables you to tone and repair worn and torn muscles with resistance training against the powerful high pressure jet.

The M-400 will definitely keep everyone happy.

With a MaaX Spa, you have peace of mind knowing, you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.
