### MaaX Stealth Blower

The whisper quiet MaaX Stealth Blower, supplies strong air flow to your soft tissue massage air jets, providing a world of peace, tranquillity, relaxation and well being, as thousands of tiny air bubbles provide you with the complete body massage.

### MaaX Aqua Clean Filtration

Keeping your spa clean and safe, MaaX Aqua Clean Filtration is the newest and most innovative way to keep your water crystal clean providing water filtration every day.

### MaaX Pure Ozone

The MaaX Pure Ozone provides a natural, safe and effective way to help maintain your water giving you, your family and friends peace of mind.

### MaaX Massage Jets

MaaX hydrotherapy and soft tissue massage jets generate the most invigorating yet comfortable massage you will experience in a spa. Patented Super Venturi Technology (SVT) is incorporated into all MaaX Spas and is the latest in jet technology from around the world.

### Standard - Total 44 Massage Jets

14 Hydrotherapy Jets

10 Deep Tissue Massage Jets

20 Soft Tissue Massage Jets

**Optional** - Stainless Steel Jets

### MaaX Aromatherapy - Standard

The MaaX Aromatherapy is a therapeutic practice that can be used to advance health and gives you a sense of ease. It involves using pure essential aromas along with bathing, inhalation and massage.

### MaaX Mood Lighting

The MaaX Mood Light provides different colours of light, known as chromotherapy. Chromotherapy has been proven to have a positive impact on overall health and well-being. The use of light and colour for therapeutic purposes is centuries-old. Add the therapeutic effects of chromotherapy to your choice of hydrotherapy for a more complete, engaging experience.

**Standard** - 1 Mood Light

**Optional** - LED Light

### MaaX Aqua Sound - Optional

Create the ultimate relaxation experience with the MaaX Aqua Sound System. Music is essential in soothing the soul, so why not add the MaaX Aqua sound to your new MaaX Spa completing the ultimate relaxation experience.

### MaaX Cabinet - Standard

The MaaX Cedar Cabinet features 20mm Western Red Cedar and galvanised steel reinforced corners for extra strength and durability. All MaaX Cabinets are treated with anti-fungal, U.V inhibitor and timber preservatives for a longer life.

### MaaX Hard Cover - Standard

The MaaX Hard Cover is a superior lock down hard cover for extra safety. The cover is able to hold up to 100kg in static weight, not only adding to your spa's strength and durability but also creating excellent insulation for your spa.

### MaaX Insulation - Standard

MaaX Insulation is closed cell foaming technology and is used on all MaaX Spas. Working in conjunction with the insulated pipe work and the MaaX ABS Base, the MaaX Insulation not only creates a quieter operation but it also cuts down on the running cost of your spa.

### MaaX Spa Safety - Standard

All MaaX Spas come with electrical approvals, not just on your pumps and heaters but on the entire unit.

# the M-440

## spa

It's said that good things come in small packages and this is definitely the case with the M-440. The M-440 is ideal for smaller areas, patios and balconies. Sit back in any of the seats in this compact spa and you will float away into a world of pure relaxation.

The 4 dedicated seats, have upper and lower back massage with a mixture of hydrotherapy, deep tissue and soft tissue massage. With the option of reclining along one side, the M-440 will definitely hit the spot.

The M-440 also contains the new MaaX exercise jet. This will enable you to do resistance training against the high pressure jet, to repair any worn and torn muscles.

This little spa is the perfect personal masseuse.

With a MaaX Spa you have peace of mind knowing you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.

Relax with MaaX
