the M-460

spa

To share or not to share, that will be the question. The M-460 is a flexible spa, that allows you to have the best of both worlds.

This is a brilliant spa for entertaining, with 7 dedicated upright massage positions including a deep tissue massage and neck hydrotherapy, making the M-460 not only therapeutic but also a great entertaining retreat in your own backyard. With the M-460 you have a choice to recline, relax and be selfish, or share and entertain family and friends.

The M-460 also offers the new MaaX exercise jet. This enables you to tone and repair worn and torn muscles, with resistance training against the powerful high pressure jet.

The M-460 is a pure example of having your cake and eating it too. You can share it with someone special, or just simply self indulge.

With a Maax Spa you have peace of mind knowing, you have chosen a quality spa built to the highest of Australian standards, that rivals any product from around the world.
