the M-510

spa

Unwind after a hard day, soothe your senses and your mind. There is something soul soothing about this spa. The sensual pleasures of the M-510 enables you to create your own slice of heaven at home. The M-510 is an investment well worthwhile and deserved.

The M-510's special feature is its extra depth in the therapeutic massage seats. Sit back and enjoy the two reclining lounges, both with soft tissue massage on your legs, one with a deep tissue back massage, the other giving you upper and lower back hydrotherapy. The three upright seats in the M-510 will add to your relaxation with the option of a full neck, back and foot massage in the corner seat. In the other two seats, you are able to direct your massage jets to suit.

The M-510 also offers the new MaaX exercise jet, this enables you to tone and repair worn and torn muscles with resistance training against the powerful high pressure jet.

Containing the ultimate in hydrotherapy massage the M-510 will surely help you get away from it all.

With a MaaX Spa you have peace of mind knowing you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.
