Pump 1 - 2 Speed filtration and high performance pump

Pump 2 - 1 Speed high performance pump

MaaX Stealth Blower

The whisper quiet MaaX Stealth Blower, supplies strong air flow to your soft tissue massage air jets, providing a world of peace, tranquillity, relaxation and well being, as thousands of tiny air bubbles provide you with the complete body massage.

MaaX Aqua Clean Filtration

Keeping your spa clean and safe, MaaX Aqua Clean Filtration is the newest and most innovative way to keep your water crystal clean providing water filtration, every day.

MaaX Pure Ozone

The MaaX Pure Ozone provides a natural, safe and effective way to help maintain your water giving you, your family and friends peace of mind.

MaaX Massage Jets

MaaX hydrotherapy and soft tissue massage jets generate the most invigorating yet comfortable massage you will experience in a spa. Patented Super Venturi Technology (SVT) is incorporated into all MaaX Spas and is the latest in jet technology from around the world.

Standard - Total 66 Massage Jets

32 Hydrotherapy Jets

14 Deep Tissue Hydrotherapy Jets

20 Soft Tissue Massage Jets

Optional - Stainless Steel Jets

MaaX Aromatherapy - Standard

The MaaX Aromatherapy is a therapeutic practice that can be used to advance health and give you a sense of ease. It involves using pure essential aromas along with bathing, inhalation and massage.

MaaX Mood Lighting

The MaaX Mood Light provides different colours of light, known as chromotherapy. Chromotherapy has been proven to have a positive impact on overall health and well-being. The use of light and colour for therapeutic purposes is centuries-old. Add the therapeutic effects of chromotherapy to your choice of hydrotherapy for a more complete, engaging experience.

Standard - 1 Mood Light

Optional - LED Light

MaaX Aqua Sound - Optional

Create the ultimate relaxation experience with the MaaX Aqua Sound System. Music is essential in soothing the soul, so why not add the MaaX Aqua sound to your new MaaX Spa completing the ultimate relaxation experience.

MaaX Cabinet - Standard

The MaaX Cedar Cabinet features 20mm Western Red Cedar and galvanised steel reinforced corners for extra strength and durability. All MaaX Cabinets are treated with anti-fungal, U.V inhibitor and timber preservatives for a longer life.

MaaX Hard Cover - Standard

The MaaX Hard Cover is a superior lock down hard cover for extra safety. The cover is able to hold up to 100kg in static weight, not only adding to your spa's strength and durability but also creating excellent insulation for your spa.

MaaX Insulation - Standard

MaaX Insulation is closed cell foaming technology and is used on all MaaX Spas. Working in conjunction with the insulated pipe work and the MaaX ABS Base, the MaaX Insulation not only creates a quieter operation but it also cuts down on the running cost of your spa.

MaaX Spa Safety - Standard

All MaaX Spas come with electrical approvals, not just on your pumps and heaters but on the entire unit. Along with a installed safety switch inside the unit, a MaaX Spa will offer you the ultimate safety.

the X-660

spa

Imagine having the luxury of coming home every night and slipping into your very own hot water spa. The MaaX Spa X-660 is a spa that not only looks stunning, it also feels amazing. Set the temperature, turn on all 66 jets and sit back as it does its magic, massaging and soothing all the stresses of the day away.

Enjoy the luxurious therapeutic experience in any one of the 7 dedicated seats, with 2 seats providing a stress releasing shoulder massage, combined with options of deep tissue massage or a soothing hydrotherapy massage.

The X-660 also offers the new MaaX therapy jet that enables you to tone and repair worn and torn muscles with resistance training against the high pressure jet.

The X-660 promises to be the highlight of your day!

With a MaaX Spa you have peace of mind knowing you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.
