# spa

Pure indulgence combined with pure excellence, the XS-1000 offers you a range of massage options from deeply relaxing to powerfully invigorating. This spa is guaranteed to satisfy your senses. There is not one part of your body it can not rejuvenate, giving the most indulgent and therapeutic all over massage.

The luxury of two waterfalls on either side, soothe the senses as the calming sound of water gently cascades into the spa.

The dedicated massage chair features 20 deep tissue massage jets strategically placed to penetrate the acupressure points on your neck, shoulders, back and legs along with a soothing foot massage. You'll have difficulty pulling yourself away from the two neck, shoulders and back luxury massage seats. They offer a full upper body massage while the MaaX Lounge will give your calves, shoulders and back a massage you will never forget.

The XS-1000 also offers the new MaaX Therapy Jet. This enables you to tone and repair worn and torn muscles with resistance training against the powerful high pressure jet.

With 100 soothing massage jets, 3 pumps, remote control and 2 waterfalls, the XS-1000 is not only the spa that everyone wants, but the spa that everyone needs.

With a MaaX Spa you have peace of mind knowing you have chosen a quality spa built to the highest of Australian standards that rivals any product from around the world.
